### COPPER JAR

Our thanks to the people who donated their coppers and small change to the Disability Fund via the Copper Jar, raising £16 in November.

**CAR PARKING** can be a problem and we are trying to resolve this in conjunction with the Village Hall Trustees. For the 9.15am Service you can park in the Village Hall car park but only ON THE GRAVEL as this will allow the hirers of the hall to park on the tarmac and unload from their cars, etc. At all other times please observe the parking notices and follow their instruction as hirers of the village hall have sole rights to park there. Thank you.

When parking in the churchyard, we respectfully ask you not to park outside the containers or along the right side of the roadway to the car park, in front of the Garden of Remembrance or block the access to the church. It is vital to keep this area clear should it be necessary for any of the emergency services to come up to the church. Thank you.

### **New Year's Resolution**

I always make the same resolution and I have never once broken it: every year I resolve to give something up for Lent and then when Lent comes I give up my New Year's resolution.

## CHURCHWARDENS' CHATTER

We hope you have invigorating Christmas celebrations and are looking forward to an exciting New Year. Our Quinquennial Inspection report was received last month. The summary read as follows: "The church is sound, access issues are now in hand (2019), there are a few minor items left off the list from last time, still to be undertaken, and I am more concerned about the vestry chimney than I was last time. Otherwise, the church is in good order, it is clear that it has a good community spirit and is keen to play its full role within the community."

The refurbishment works to the basement are now complete inside to the satisfaction of the architect and structural engineer, also the external works to the north side of the church. The works to the east side of the church including the access to the basement together with the health and safety issues with surrounding iron railings will commence on the required paperwork is in place.

The Enfield Brass Band Christmas Concert was well attended in early December with a wide range of tunes including many excellent solo performances from the Band. We would like to thank the catering team for the refreshments provided during the interval which completed an enjoyable afternoon's entertainment.

The Christmas Market proved to be a very social event with slow footfall on the Friday evening but this was made up for on the Saturday. Our thanks go to all those who prepared the church for this event and who packed it all away in time for the Sunday service; thanks also to the stall holders and catering crew.

Notes for your diary 2019:

There will be no 9.15am service at St Thomas' on 3<sup>rd</sup> February as there will be a Benefice Service in Waltham Abbey Church at 10.30am.

## UPSHIRE MOTHERS' UNION

### Come and Join Us!

We are a friendly group who meet on the 4<sup>th</sup> Wednesday of the month in the Village Hall, Upshire at 2.15pm until 4pm or in St Thomas' Church for our Corporate Communion Services at 2.15.

In November Grahame Williams gave us an interesting and amusing talk on '19 Years on the Bench'. Grahame became a magistrate 29 years ago at Waltham Forest. Back then a person had to be nominated, then interviewed, if you passed the interview your home would be inspected before you were asked to be a magistrate. Today things have changed, you put your own name forward and are interviewed; if you pass the interview you are then allowed to become a magistrate. Magistrates are from all walks of life, i.e. bus drivers, teachers, etc. They also try to have an equal mix of men and women and also a mix of different religions and political views where possible. Each court setting will have 3 magistrates who should be different types of people, 1: a disciplinarian, 2: middle of the road and 3: a softie (as Grahame put it!), to give a balanced judgement. Magistrates are expected to work 28 days a year, usually in half days. All cases start in a Magistrates Court, some are then referred to a Crown Court. 98% of cases are dealt with in a Magistrates Court. Grahame's first case was Indecent Exposure, his last case was Sexual Abuse against a 14 year old girl. Grahame retired 19 years ago, as magistrates cannot work past the age of 70.

Our next meeting will be on 23<sup>rd</sup> January when Bryn Elliott will give a talk on 'Lippitts Hill Camp in War and Peace'. All are welcome. Tea hostesses: Lyn Wackett and Jean Brewster. Raffle: Ann Smith.

For further information about forthcoming meetings contact our Branch Leader, Mrs Ann Smith on 01992 767809.

### **Ten things God won't ask you when you die**

God won't ask what kind of car you drove;  
He'll ask how many people you drove who didn't have transportation.

God won't ask the square footage of your house,  
He'll ask how many people you welcomed into your home.

God won't ask about the clothes you had in your wardrobe,  
He'll ask how many people you helped to clothe.

God won't ask which diet you were on;  
He'll ask how many hungry people you helped to feed.

God won't ask what your highest salary was;  
He'll ask if you compromised your character to obtain it.

God won't ask what your job title was;  
He'll ask if you performed your job to the best of your ability.

God won't ask how many friends you had on Facebook;  
He'll ask how many people to whom you were a friend.

God won't ask in what neighbourhood you lived;  
He'll ask how you treated your neighbours.

God won't ask about the colour of your skin;  
He'll ask about the content of your character.

God won't ask why it took you so long to seek Him;  
He'll lovingly take you into his Kingdom, not leave you at the gates of Hell.

## **Help our hedgehogs – or lose them forever**

The UK has lost half of its hedgehog population since the year 2000. The Christian conservation charity, A Rocha UK, is out to stop the decline. ‘Project Hedgehog’ is one result, a joint initiative between A Rocha UK and the Lea Brook Valley Project.

‘Project Hedgehog’ provides purpose-built, cat-proof hedgehog boxes for private gardens. There are also detailed information leaflets on how to make gardens hedgehog-friendly.

‘We need to do this, for God, for nature and for people – and we need your help,’ says Andy Atkins, CEO of A Rocha UK.

If you could help hedgehogs, visit: <https://arocha.org.uk/>
