We are committed to safeguarding children, young people and vulnerable adults. The PCC has adopted the Church of England's policies and best practice on safeguarding which may be found on the Church of England website and also on the Diocese of Chelmsford website.

**With the Covid infection rates locally being sky high and a Tier 4 stay-at-home order in place we, as a benefice, feel it's just not safe to gather together in the church building, so sadly, there will be no services in church for the foreseeable future.**

The decision will be reviewed regularly but there will need to be a significant drop in infections before we will resume services in church. However, we will be having a 9am Book of Common Prayer Communion Service and a 10.30am modern language Communion service each week on Zoom, for log-on details contact Beth Horton on 07853 335880. Lists of the services and service sheets to download are available on the services page of the new St Thomas' website: <https://stthomaschurchupshire.com/>

St Thomas' Church will NOT be open for private prayer on Tuesdays.

The Vicar writes:

Happy New Year!

I suspect many of us are very happy indeed to have got to the end of 2020. Never have we longed for a New Year's Eve as much as we have this one – even if we can't have our usual parties and celebrations. But with a New Year inevitably come New Year's resolutions.

Like many others I suspect, my resolution is to lose some weight – the lockdown pounds have settled in for the long run and something needs to be done.

I try and shrug it off by saying I have an over appreciation of God's good gifts.... which is just a clever way of saying "Greed".

Out of all seven deadly sins it's probably the one we are most relaxed about in our society. Financial greed is almost respectable - we disguise it with words like "ambition" and "success". We are told that having "enough" isn't good enough, and we need to work harder, earn more, have more. We never seem quite satisfied.

Newspaper columnist Bernard Levin wrote this: "Countries like ours are full of people who have all the material comforts they desire, together with such non-material blessings as a happy family, and yet lead lives of quiet . . . desperation, understanding nothing but the fact that there is a hole inside of them that however much food and drink they pour into it, however many motor cars and television sets they stuff into it, however many well balanced children and loyal friends they parade around the edges of it . . . it aches."

My primary school dinners weren't as delicious they are now, and the dinner lady used to loudly proclaim "There are starving children in Africa you know" to encourage us to finish our food. I never really understood what that had to do with the cold lumpy semolina sitting in my bowl (unless there was an option to fly it over there, which apparently there wasn't). Perhaps she was trying to make us feel grateful because we weren't the ones starving? Because we had food, and they didn't?

Jesus once took some of a child's food, gave thanks, and with it fed the hungry - a lot of them, and as a result they wanted to make him their king. But when he responded by telling them that He is the Bread of Life, who alone can fill that deep spiritual hunger within, almost everyone left him. That's the problem with greed, it causes us to focus on the gifts, and not the giver.

So I pray that in this new year of 2021 we can find some time to focus on the giver, to spend time with Jesus - who not only provides for all our needs, but fulfils our deepest need. Love, and fills that aching hole within.

That is my prayer for this New Year ..... that and a smaller waist! Amen

Blessings, Jane

**SHOEBOXES**

Have you bought new shoes recently or are you about to? If so, if you are able to get the box with them please save it for the Blythswood Shoebox Appeal in 2021. Boxes can be left with Lyn & Dave at 94 Upshire Road, or just leave them in the porch. Thank you to the kind people who have already donated their shoe boxes, several of them have already been covered with brightly coloured paper ready to be filled later in the year.

## **Church Finance**

Many of you may be wondering how the church finances have fared during the year. As expected income from regular giving and from fund raising is well down this year. However, expenditure has also been down and we have been blessed with some generous legacies in recent years, so at the moment church finances remain healthy.

Thank you to everyone who has donated to St Thomas' during 2020.

If anyone would like to donate as a one off by bank transfer or regularly by standing order, the church's bank details are as follows:

**Name: St Thomas Church Upshire PCC**

**Sort Code: 40 45 20**

**Account Number: 00724505**

Please let me know if you choose to do this, also if you are willing to gift aid your donation. I can be contacted by email at [ruth4366@gmail.com](mailto:ruth4366@gmail.com) or on 07852668633.

Another way to donate regularly if you are a taxpayer is by the Parish Giving Scheme. Giving is by direct debit and has the advantage for me that the tax is automatically reclaimed. Please contact me if you would like more details.

Anything you care to offer will be gratefully received! Send to Lyn either by post or email: addresses on front page.

## **TEDDIES FOR TRAGEDIES**

*made with love, to bring love, to be loved*

The December Newsletter from Tricia Gibb of Teddies for Tragedies:

What a year 2020 has been for us all! The pandemic situation is not improving so we must hope that the arrival of the corona virus vaccine will mean a better year for 2021.

Due to the pandemic, of course, there has been little or no movement of Teddies during the year, so my Teddy stocks have gradually increased. As mentioned in my summer newsletter, 50 went in January with a load of school items in a mini bus which was driven from St Albans to the Gambia. The money was raised in the UK to purchase the bus which will be used in the Gambia to transport the children from outlying areas to the school for the deaf.

The 500 Teddies collected from me in March for Uganda, unfortunately, haven't yet left the UK due to the ongoing Covid restrictions.

In October, 1000 Teddies were collected by a local charity for inclusion in a container load of aid being sent from Birmingham to Syria. Unfortunately this has also been delayed in leaving the UK due to the pandemic and red tape.

As ever, a big thank you for all the Teddies and bags which I have received since the last Newsletter. Welcome, too, to new knitters. With all good wishes for Christmas and the New Year. Keep well and stay safe Tricia

## Where do we go from here?

Perhaps this was a question the Wise Men asked after seeing the infant Jesus. They had come from a distant land to Jerusalem. They had followed a star and expected to see a royal child. Now in Bethlehem, they saw things differently. No doubt, Mary and Joseph shared with these men their recent experiences and knew God was with them. Now the Magi had to have eyes of faith to recognise that this child was God in the flesh.

On 6<sup>th</sup> January we will celebrate Epiphany. On this day we remember the Eastern Men bringing their gifts to Jesus. The word 'epiphany' describes their 'revelation' or 'insight' that this was no ordinary baby. Who could they tell? Not King Herod. They had a dream warning them to return home a different way. Their return to familiar surroundings was going to be different. They couldn't be silent about what they had experienced. Their lives were now changed. On returning home they faced new circumstances and challenges.

Doesn't this sound a bit familiar to us today? The Covid-19 pandemic has affected all of us in one way or another. Where do we go from here? We have celebrated our Lord's birth, but now we are returning to our previous activities. The festive break is over, and we are returning to changed, very difficult circumstances. We go into a New Year that is so different from this time last year. While we might be downcast with all the upsets around us, there is one thing that has not changed.

It is almighty God! He is our rock. We can look to Him in this world of confusion and uncertainty. Perhaps, from now on, we shall be worshipping and serving Him in different ways. So, with the challenges that lie ahead, let's continually seek His guidance.

*Trust in the Lord with all your heart and lean not on your own understanding....and He will make your paths straight. (Proverbs 3:5-6)*

## Plants in your front garden

What's in your front garden? If it is sparse, why not consider adding some plants this year? Apparently, the presence of greenery can lower your stress levels as much as two months of mindfulness sessions. Plants can also help you to feel happier.

A recent trial study by the Royal Horticultural Society found that people who introduced ornamental plants such as juniper, azalea, clematis, lavender, daffodil bulbs and petunias had a significant lowering of the stress hormone, cortisol, and many reported that they felt 'happier'.

## The Fourth Gift

The fourth gift they had was Wisdom, the one they needed for themselves and the world.

Wisdom to leave the familiar in search of a new security, more precious than the gifts they gave.

Wisdom to discover, in the starlit child, a significance above gold, frankincense and myrrh.

Wisdom and the eyes of faith to receive God's showing of His Son.

The gifts we read about were three, but the fourth gift they had was wisdom. *By Daphne Kitching*

## **LATEST NEWS ON TRAFFIC CALMING : HORSESHOE HILL to CROWN HILL**

In a letter from Highways to village residents dated 27 November we are advised that the planned scheme to slow vehicles using the road has now been cancelled. The reason given states 'after consulting with the local farmer it was established that we are unable to maintain the road width to accommodate the farm vehicles that use the road'.

This is really disappointing news and having consulted the Highways website we find that the scheme cost was set at £62,500 which is staggering, particularly so in that with less than three months left in this current financial year it is likely this budget will be lost.

Highways previously advised that if this scheme did not go ahead it would be unlikely further schemes would be considered. They had planned to extend the calming measures throughout the village road, as well as making repairs to the pavement, where it exists.

Our Highways Councillor Ricky Gadsby is the contact for comments to be made, do write ....

[Cllr.ricki.gadsby@essex.gov.uk](mailto:Cllr.ricki.gadsby@essex.gov.uk) .....also to Highways at [trafficregulation.order@essexhighways.org](mailto:trafficregulation.order@essexhighways.org)

There is a Highways panel meeting scheduled on 18 January where this is being reported.

**The cat** A vicar and his wife were going out for the evening, and carefully set the security lights and put the cat out. But when they opened the door to go to the taxi, the cat slipped back in and disappeared upstairs. Irritated, the vicar followed it. The wife waited with the taxi driver. Not wanting him to know that they were leaving the parsonage empty, she said: "My husband is just upstairs for a quick word with my mother." A few minutes later, the husband arrived, breathless. "Sorry I took so long" he said, "but she put up a fight! Stupid old thing was hiding under the bed and I had to poke her with a coat hanger and grab her by the scruff of the neck to get her out."

**Sign in an old church porch to reassure any visitors:** In this church many are cold, but few are frozen.

**Numbers** When the minister announced the first hymn on Zoom, "Ten thousand times ten thousand!" the little boy turned anxiously to his father. "Does he want us to work that out?"

**Response** The mother of a lively youngster was struggling to get him into his pyjamas one night. "Jamie, lift up your arms!" she said. To which the child promptly replied: "We lift them up unto the Lord!"

**Henry Ford's secret** When the late Mr and Mrs Henry Ford celebrated their golden wedding anniversary, a reporter asked them: "To what do you attribute your fifty years of successful married life?" "The formula," said Mr Ford, "Is the same formula I have always used in making cars - just stick to one model."

**Memorable** Many years ago, the Salvation Army's founder General William Booth was in full spate. Suddenly he stopped and stabbed a finger at a young man busily writing, and called out, "Young man, are you saved?" To which the astonished individual replied: "ME, sir? I'm a reporter!" - *Colin R Coote*

**Late** Sidesman to timid parishioner: "Why are you late?" Timid parishioner: "Church started before I got here."
